

A Nurse can visit you in your home.

A Nurse can visit you at school.

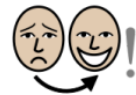

A Nurse can visit you at Respite Care.

We can give you advice about learning to do things yourself.

We can help you learn to go to sleep.

We can help you learn to use the toilet.

 We  can help  you  to  feel better.

 We  can help  you  stay healthy.

  
**Targets:**

 We  will write notes  and keep them safe  to help  you  remember  your  targets.

 We  will work with  your important  people so they  can help  you  too!
